—**Shayne Edelhertz**, who owns property in the Applegate but currently lives in Hawaii, gives a shaka salute to the latest edition, mailed to him thanks to his personal mailing label subscription (\$20/year, \$35/two years; sign up at [applegater.org](http://applegater.org)). "I love the Applegater!" he writes. "We lost our local Maui Times independently run publication last year and only have a corporate-owned newspaper. Keep up the good work!"

—**Jeanette LeTourneau** peruses the Applegater at Indian Palm Canyons in Palm Springs.

Keep those articles, letters, opinions, and "Reading the Gater" photos coming in. You are the Gater!
